

(Regulations of the Fair Political Practices Commission, Title 2, Division 6, California Code of Regulations)

§ 18945.2. Group Gifts.

If an official receives a gift valued at \$50 or more from a group of persons, the official need only report any source(s) of the gift who donates \$50 or more to the overall value of the gift. In addition, any donation to the group gift made by any person for whom the official is required to report a gift shall be aggregated with any other gift made by that person. A gift from a single organization is not a group gift from the members of that organization.
